Dear Uncle Pete & family,

I apologize for this note being so overdue but time just seems to slip away. I want to thank all of you for Amy's Christmas ball. It was so kind of you to remember her with such a lovely gift. It will always be a very special Christmas ornament from her "crazy" but wonderful family.

I'm sorry we were unable to attend the reunion but we're hoping to make it this year. We'll be bringing another addition to the Atkinson family but please don't think Tom and I will be adding a new member every year.

Thank you again for your thoughtfulness to Amy. We look forward to seeing you all soon.

Love,

Debbie
